Exam Room Cabinets are very durable and easy to clean. The components are similar to those in our Modular Medical Cabinet line. Modular cabinetry can easily be re-arranged to meet your desired look and efficiency.

Important information concerning Options:

6093—Stainless steel sink w/goose neck faucet & strainer basket is available in 24" and 30" base cabinets only.

We will make the sink cutout in the counter top when the cabinet is manufactured. To ensure there is no mistake we ask that you submit with your order a photo copy of the group you are ordering and indicate the location of the sink by placing a (S) on the base cabinet pictured. There is no drawer at sink location.

6096—Work station slide outs are available on 18" & 24" cabinets only. Please place a (W) where desired.

6099—Locks, you may choose to lock 1 or more doors and/or drawers. (note: 2 door cabinets require only 1 lock) Please place an (X) on each door and drawer on your photo copy and submit this information with your order along with the Group number (s) color and please note right or left handed cabinet (s).
